DINING LOCATIONS

Kumukea Beach  •  Kings Pond  •  Palm Grove Beach  •  Garden Lawn  •  Herb Garden
Kumukea Beach

Our most popular location for private dining, Kumukea Beach offers a spectacular oceanside setting. This natural beach features lush foliage and arches of tropical heliotrope trees. Enjoy your meal with the sound of the waves and a magical sunset over the Pacific.
Carved out of lava rock and home to over 4,000 fish, King’s Pond is a natural aquarium – providing one of our most unique dining settings. For larger groups, there’s an ‘ohhi’a-wood pergola, perched just above the pond. Couples can enjoy true oceanfront dining alongside the surf at King’s Pond Beach.
palm grove beach

Framed by towering palm trees, white sand and the Pacific Ocean, Palm Grove Beach provides a truly remarkable oceanfront location. Linger over cocktails while the sun sinks into the ocean. Then dine barefoot at a table on the sand.
Surrounded by plumeria, hibiscus and monkey pod trees, our Garden Lawn brings to life the idea of a secret garden. Decorative lighting glows among the foliage, creating an intimate atmosphere in this wonderfully private setting.
herb garden

Set among mango and ‘ulu trees, our secluded Herb Garden offers the opportunity to dine surrounded by the scents and sights of fresh Hawaiian produce. Prior to dinner, your guests can stroll through the garden and relish the abundance of herbs, vegetables and tropical Hawaiian fruits.
